

**7 Words Associates** is the organisation whose essential purpose is to facilitate spreading familiarity and understanding of the 7 Words System. To become an Associate Member you need to:

- Agree with the organisation's ethos and vision
- Help to spread awareness and use of the 7 Words System
- Apply in writing to the Core Group
- Be accepted into membership
- Submit your vision for publication on the website
- Engage with other Associates
- Pay the annual subscription

### **Ethos**

To develop insight and skill in the application of the 7 Words System and to show understanding towards those without such awareness.

### **Vision**

We intend to change humanity's thinking so that all people become free to enjoy sustainable abundance and live with greater consideration for one another.

Certain members are likely to want to study and gain endorsement as Certified Practitioners in order to validate their attainment and to lead training courses.

The criteria for certification are that you need to:

- Be an Associate
- Have satisfactorily completed an Approved Training Course
- Be nominated by 3 Associates, of whom one is a Certified Practitioner
- Demonstrate your skill, experience and intentions to the satisfaction of a Guide
- Make a presentation of how you intend to use 7 Words to realise your own vision
- Annually reaffirm your commitment to the criteria for membership
- Receive a certificate that will give you:
  - Permission to refer to yourself as a "Certified 7 Words Practitioner",
  - Endorsement to lead 7 Words Introductory Seminars
  - The entitlement to appoint Associates

A higher level of certification is achieved by a Guide, who:

- Has at least 12 months experience after certification
- Has passed both the DLP and an Approved Training Course
- Is appointed by the Core Group
- Has gained some experience in 7 Words as a trainer or assistant trainer
- Demonstrates willingness to continue development towards mastery of the system
- Takes an active role in the administration of 7 Words Associates
- Has permission to lead an Advanced Training Course and to give certification
